Lyrics below.

Carol Kappus loves playing and singing the traditional songs of Scotland, Ireland, and Wales. Check out CarolKappus.com to purchase one of her many excellent books, see videos, and hear recordings.

The Dream Passes by the Windows

The Dream passes by the windows,
And Sleep by the fence.
The Dream asks Sleep:
"Where should we rest tonight?"

Where the cottage is warm,
Where the tot is tiny,
There we will go,
And rock the child to sleep.

There we will sleep,
and will sing to the child:
Sleep, sleep, my little falcon,
Sleep, sleep, my little dove.
